Fireside Chats

The annual fireside chats are coming soon to a home near you. This is your chance to discuss club business and get your voice heard regarding the activities that Point West Rotary is involved. We want to encourage discussion of your thoughts regarding where and how we spent our charitable donations, costs associated with Rotary participation, fundraisers, and general club business. Do you have ideas for other fundraising or charitable activities? Shall we have more social activities? Are the meeting times, location, or costs of concern to you? This is your chance to express your desires to participate in club activities or club leadership. Please come and discuss any or all of these things.

The schedule is out so check your email. Please RSVP to the host as soon as possible. There are Zoom chats scheduled as well. For questions please contact PE John Price. Let's see everyone there or we may have to do the Disher Drag from your home!

The 9th annual Partners in Leadership conference will be Friday 3/11/2022. This year we return to the Dante Club. **Larry Chalis** and **Sandy Thompson** are leading the organization of this fabulous event. They may be still looking for people to mentor one of the students or help in other ways. Contact Sandy or Larry to let them know your interest.
