November RI Foundation Month

It was at the 1917 Rotary International convention that outgoing Rotary President Arch Klumph proposed setting up an endowment "for the purpose of doing good in the world." That one idea, and an initial contribution of \$26.50, that has grown spent more than \$4 Billion on life-changing, sustainable projects, transforming millions of lives around the globe. The Rotary Foundation helps to advance that goal by promoting health, quality education, improving the environment, and alleviating poverty.
