Understanding Bitcoin

Bitcoin is the first decentralized digital cryptocurrency that works without a central bank. And it's so simple to use, transactions take place through the use of cryptography and are verified by network nodes and are recorded in an immutable public distributed ledger called a block chain. What could be simpler than that?" Joe Ciccolo, founder and president of BitAML, spoke to our club about digital currency and particularly Bitcoin the original cryptocurrency. Founded in 2015, BitAML is an advisory firm that offers AML (Anti-Money Laundering) compliance services specifically to cryptocurrency financial institutions facing these challenges.

Bowling Bash Coming Soon

Polish up your bowling balls and shine those shoes to attend the annual PWR Bowling Bash at Country Club Lanes on 3/26/22. You could win this trophy to lord over Drew who thinks it is his to lose. This event will replace the Friday 3/25 AM meeting at DPCC. Contact **Drew Houghton** to reserve your spot.

TRUE WIZARD OF OZ FANS ALWAYS GOT THE BRAIN, HEART, HOME AND COURAGE

OTHERS SHOULD BE THE SAME.....

Rotary International Response to Ukraine Crisis

The Rotary Foundation has made the decision to prioritize contributions made to the Disaster Response Fund until April 30, 2022 to support disaster response grants for districts affected by these events. These expedited disaster response grants can be used to supply water, food, medicine, shelter, and clothing.

Another way to assist those impacted by the recent events in Ukraine is to use any connections you may have with administrators in medical care facilities and asking for out-of-date or surplus medical supplies (gauze, bandages, etc). A local 501(c)3 organization, the Ukrainian American House (<https://www.uahouse.org/>), focuses on and supports the Ukrainian community. They are collecting these items to be shipped to Ukraine. Please contact the UAHouse at info@uahouse.org if you can help.
