## Partners in Leadership

The 9th Annual Partners in Leadership took place on March 11 at the Dante Club. 30 students from Encina High School attended this event. Each student is paired up with an adult

mentor. The program was expertly run by **Larry Challis**. The students with their mentor went through a series of exercises to teach the principles of leadership, values and ethics. The students put those new skills on display with an afternoon skit focusing on ethical dilemmas. The program was organized

by **Sandy Thompson and Larry Challis**. It was a superb program again this year making a profound impact on the young students lives. Thank you to all of the mentors and other volunteers that made this event a great success.
