## Member Spotlight

Fellow PWR Rotarians;  
I am honored to be serving as your incoming President. Most of you know that I am married to Mark; we have 4 children between us and 4 grandchildren. What you don't know is that 5 years ago I fell in love with the state of Maine. I like the quiet and the simplicity of life there. I like the beauty of the lakes and forests and the coolness of the evenings. I also like a good "hands on" project and I'm not afraid of getting my hands dirty. So Mark & I recently purchased a small cabin, or camp as they like to call them, on the water in Naples, Maine. It's definitely a fixer and will provide us with lots to keep us busy for a long time. It's not a winter cabin but we look forward to spending summers there in the future. Your 2019-2020 President;  
Kathy Copeland

## Out with the Old.....

Our 34<sup>th</sup> year as the Best Damn Rotary Club on the Planet is over and what a year it was. Carl Naake and his team worked hard to ensure that we did good in our Community, that we followed the motto of Service Above Self and that we did it while having fun. We served beer, chucked chickens & rang the bells; we gave away lots of money & were mentors to students. Thank you to Carl and his outgoing Board Members:  
Rick Bixler  
Desiree Wilson  
Dean Wilke  
Brad McDowell  
Tom Engwer  
I hear that once you are no longer President that you simply fade into the crowd and people forget your name. Before that happens make sure to say Thank You for a job well done!
