Member Spotlight Tom Harvey

Charter member 1985 after leaving Active 20/30 Club, I was the 6th Club President 1990-1991. Point West Rotary Club Foundation President 2018-2019, Current Foundation Treasurer.

I have had several career paths...CPA, family roof truss manufacturer, owner of highway safety business and currently a residential Real Estate agent.

My wife Nancy and I have been married for 48 years and have raised a son (Brian a commercial mortgage banker now living in San Diego) and a daughter (Kim Kalmbach, Director of Events/Fundraising for Jesuit High School). They have blessed us with four grandchildren that we love to be with on family vacations.

My hobby is golfing. I belong to Del Paso Country Club and have played all over the US. I have been lucky enough to attend US Opens, the Masters, PGAs and a Ryder Cup match tournament. Lately, I caddy for my grandson Hayden in junior golf tournaments.

I also love to travel and drink red wine.

Meeting Recap for January 29, 2021

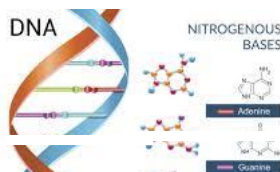

Samantha Hoshida's invocation reminded us that in these difficult COVID times that "A small act of Caring" goes a long way to show respect for our essential workers.

Mike Bede shared that we will have another zoom wine auction this Friday. There will be 3 auctions. A flyer will go out to detail the wines up for bid. Bring your credit cards as the wines are all rare & difficult to find in stores. Thank you Dominic for donating these wonderful wines!

Bruce Levering rang the bell for \$200 celebrating that his son-in-law received a double lung transplant & is doing well.

Mary Lyn reminded us that our zoom fireside chats begin this week. Please RSVP to your hosts. This is your time to let Mary Lyn know your thoughts on a variety of Club issues.

Our speaker, Anne Marie Schubert, Sacramento County District Attorney, talked about the pursuit of justice using DNA & investigative genetic genealogy. Her office solved the 40 year old "East Area Rapist" case. Hundreds of cold cases have now been solved as a result of this new form of forensic DNA testing.

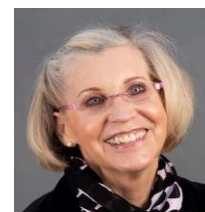

District 5180 Awards Presented Jan. 30, 2021

The District 5180 presented Awards to the Clubs in the District. Point West Rotary was awarded the Governor's Citation. We were the only Club in the District to awarded 8 Gold Metals for achieving goals set by the District. And most importantly, Point West was awarded First Place as Best Large Club in the District!! **TWO** huge awards!

Kathy would like to thank all of the members for helping achieve these awards and being the Best Damn Rotary Club on the Planet.

Joanie Mather, prospective new Member.

"Because of You" .. Chris Taylor for leading the Grant Review Committee and helping the many children in need.
