Meeting Recap for June 18, 2021

The 40th meeting of the 36th term began with some words of wisdom from **Desiree** quoting a phrase from a Chinese fortune cookie, *“Life’s greatest privilege is being able to help someone in need.”* Rotary gives us this privilege daily.

Lyndsay Burch rang the bell for her recent award, **“Women Who Mean Business”**. Congratulations Lyndsay!!

Joanie Mather rang the bell in honor of her 3 grandchildren, one for setting a new swim record.

Dan Hall rang the bell in honor of he and Laurel celebrating their 46th anniversary & to honor Pres Russ & Pres Mark Albrecht (PWR Foundation) for their successful terms.

New members, Joanie Mather, Dominic Porrino & Randy Burton were presented their “Rotary in a bags.”

PE Mary Lyn shared that we will be meeting in person the 1st & 3rd Fridays of the month, with a zoom meeting on the 2nd Friday during her term. In place of a 4th Friday meeting we will participate in community service projects scheduled sometime during each month. She also shared that with the rising costs at Del Paso, and the 50 person maximum constraint at this time, we are considering moving back to the Dante Club. Dante has a new G.M., Event Planner and a new Chef. Their capacity is 150 people. For your \$25.00 fee, you will get a complete breakfast.
