## Meeting Recap for March 5, 2021

After a rocky start (who hid the speaker button!!) we heard for the 1<sup>st</sup> time, a song version of the 4 Way Test! Greg Garcia then told the story of how the 4 Way Test began in 1932 when a Rotarian was asked to take charge of a company that was facing bankruptcy.

We presented a check to Single Moms Strong whose mission is to empower single mothers & their children through enrichment, encouragement & educational programs.

Jonathan Kalibbala updated us on our club's Int'l grant for the Bufumbansa water project. Our \$5,000 donation turned into a \$17,500 grant which has helped their community reduce water & sanitation related disease 37%, among other things.

We welcomed back past member Joanie Mather! Yay!

Another successful auction...Rich Fathy outbid several others for a wonderful 4 course meal at Anne & Scott Osborne for \$400. Thank you to both Anne & Rich! Mike Bede rang the bell due to he & Bea getting their 2<sup>nd</sup> shot & heading to Mexico for vacation.

Bill Tobin shared wonderful things about the great works of Shelter Box helping families who have been displaced due to conflict or disaster.
