38th Term Starts

President John Price presided over the first meeting of the 38th term for the Rotary Club of Point West, Sacramento Friday 8 July. This Price is Right brought out the Sergeants at Arms, Tom Engwar, Randy Burton, Nate Challis and Russ Prater, with sequined jackets to introduce our game show host and president. Brewfest plans are winding up and Professor Barger told us how to live longer and healthier by going to Thirsty Thursdays. The first new member of our term, Mr. Jorge Lopez is inducted. We had our first game of the year with Britton Taylor getting the closest to the right price. He spun the wheel for a nice prize. With Gino's opportunity, the wheel came into play again but Don Rodes may not feel he was a winner. The year promises to be fun filled.

Trek Against Trafficking

This event is rapidly. 4 PWR Rotarians are completing to raise awareness and funds to programs to fight human trafficking. Please support this event by telling your colleagues and neighbors to help us with this important effort.

Prospective New Member

The new term is starting out well with recruiting new members to our club. Bonnie Nelson has applied to PWR for

membership brought to the club by Dominic Porrino. She works as an LPL Financial Advisor and Investment Advisor Representative for CalBay Investments in 2021. For over 30 years she has worked in the financial planning and investment industry beginning at Ameriprise Financial Planners from 1990-2000 and then 20 years as an Investment and Compliance manager with Foord, Van Bruggen & Pajak. She is a graduate of California State University, Sacramento with a major in business management & finance. Bonnie enjoys spending time with her family, attending her children's tennis tournaments/endeavors and gardening. We feel she will be a great asset to our club.
