## The GRC Is Up To ... Good

Chris Taylor continues at the helm of the GRC this year starting with a budget of \$84,300. With a rapid start to our philanthropy, 17 grants totaling \$36,800 have been approved. These have gone to our San Juan School District partners Encina High School (12 grants, \$21,300), Katherine Johnson Middle School (3 grants, \$7,500) and Greer Elementary School (2 grants, \$8000). The checks were distributed by Chris and PP Mary Lyn Kagan with Wether the dog to Damon Smith, principal KJMS and with the assistance of Amy Gregory (SJSD) to Greta Schultes, principal EHS and Melissa Schupp, principal GES.

Buzz Weisenfeld has been instrumental to this process as the liaison between the schools and PWR. Great work Chris and the GRC.

## California Brewers Festival

2022 was a great Brewfest building on 28 years of tradition. Recalling the past, 20 years ago we even had a write up in Sacramento Magazine.

**SUDS FOR BUDS**  
 Point West Rotary Club held its eighth annual California Brewers Festival in Cesar Chavez Park, where attendees enjoyed nearly 100 microbrews from dozens of Northern California and Oregon breweries, plus great food and music by the Lucky Garcia Band. Proceeds benefited the Communities in Schools Student Buddy Program.
