Trek Against Trafficking

Time is of the essence to put in your support for fighting human and sex trafficking by supporting the Trek Against Trafficking. This will support WEAVE for their programs to assist victims of trafficking. Human and sex trafficking and modern day slavery is a huge problem throughout the globe. Sacramento is one of the largest hubs for this crime in the U.S. 4 intrepid hikers from PWR with an additional hiker from the community are dedicating their commitment to this process, hiking 100 Km over 6 days, July 23-29, along the Pacific Crest Trail for this event. Please lend your support today. Email your friends, neighbors and colleagues or make a post to social media to get the word out to the community. Together we can make a difference.

New monthly feature
