PWR Impact Around the Globe International Grants

From Christine Cahill-Reams

The PWR Foundation Board recently provided unanimous approval for this term's budget of the International Grants Committee. Through the IGC, our club will help to fund two water projects in Honduras, a heart care center in India, and Camp Hope in Baja (brought forward by our club's own Jeff Devoll). In addition, a Covid support project in Nicaragua just received funding. Our donations hard at work!

Save the date for the annual PWR Bowling Bash is coming up on Sat., March 25. Drew Houghton is organizing and will have sign up information soon.

Rotary Greater Sacramento Area District 5180

Look at the Rotarians who just graduated from our District's second PRLS (Practical Relevant Leadership Skills) training session!!

What a great group of leaders who have upped their game by taking a weekend to participate in this special program led by Desiree Wilson, Past District Governor, and Mary Jo Edmondson, District Trainer.

Great leaders know how important it is to keep learning, keep growing, keep expanding their skillset.

Congratulations to each graduate!!!

Note: there will be another PRLS training coming your way so stay tuned.
