## Trekkers are Trekking

It is under way with our 4 intrepid trekkers starting their 6 day 100 Km Trek Against Trafficking on Saturday, 23 July. Roger Gilleland, Jeff Milde, Robert Ellis and Mike Cameron star out at Echo Lake and finish at Donner Ski Ranch on Friday, 29 July. You can follow their progress all along the Pacific Crest Trail by logging into MapShare website: <https://share.garmin.com/RogerG> (Password: Moose0119). You still can support their efforts by your own donation and sharing the links to the Trek for Trafficking Facebook page with your family, friends, and colleagues. Share the graphic below with the QR code that will get you to the right pages. We are joining with Rotary International to continue fighting human trafficking. RI is more formally incorporating this area of focus into our future programs.

## Thirsty Thursdays

Brewfest is coming up in September and your tickets are now available. To support the brewers that are participating in the Brewfest, Point West Rotarians and friends have been gathering Thursdays at 4 PM at various breweries, most recently at Fountainhead Brewing Co.

Next weeks gathering will be at the New Helvetia Brewing Company, 1730 Broadway. Come on out to meet your friends, support the brewers without whom the Brewfest does not happen. And it

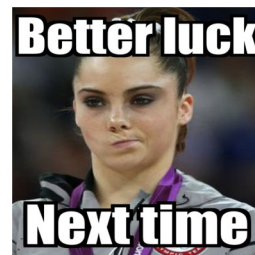

will help you live longer. You have 7 tickets this year to sell but if you need more contact Roger Gaskin. Although somewhat more expensive this year, they still are a good discount over the public price. It will be fun.

## Errata

In last weeks newsletter there was a minor omission in the "Did you know" feature that identified Desiree as PWR Foundation Chair meaning the RI Foundation chair for PWR. The president of the PWR Foundation this year is Mike Cendro. Continue to ask your questions regarding the information provided to Desiree.
