## Rotary Continues Disaster Relief

RI is continuing efforts around the globe to assist in disaster relief. Rotary has started efforts with the Rotary clubs in Turkey and Syria to assist in providing aid the earthquake victims in those countries. With the 1 year anniversary of the Russian invasion, aid including generators, medical supplies, emergency equipment, modular housing, and other provisions, continues to go to Ukraine through efforts in and outside of that country. People in Ukraine have noticed. Ukraine has established approximately 10 new Rotary clubs. Read about the efforts of Rotary in and outside of these areas on the RI website at <https://www.rotary.org/en/rotary-members-weave-global-web-giving-ukraine> and [https://www.rotary.org/en/quake-survivors-aid-providers?](https://www.rotary.org/en/quake-survivors-aid-providers?source=rotaryorg) [frontpage](https://www.rotary.org/en/quake-survivors-aid-providers?source=rotaryorg) features
