People of Action Work Day 15 April 2023

Point West Rotary is planning to participate in the American River Parkway Annual Spring Cleanup on Saturday, April 15, 9AM to Noon. We will be gathering under the south end of the Watt Ave. bridge. The entrance to the Parkway is off La Riviera Dr., just east of Watt Ave. Dan Hall is organizing this event. The planned event at Brian's Rotary Garden that afternoon is postponed. Come participate in this project and show our community what we already know, that we are People of Action.

Prospective New Member Profile Kathi Berger

The newest applicant for membership is Kathi Berger. Kathi grew up in Marysville. She went to CSU Sacramento. She is married living in Carmichael. Kathi works for the Franchise Tax Board as an IT Specialist, in the field of Tax Information Security. She is excited about joining. She is looking forward to the variety of opportunities offered by PWR to serve the community. Her sponsors are Beth Schatz and Dominic Porrino. Watch out for her at our meetings and introduce yourself.

It's District Assembly Time

The annual district assembly is the major leadership training event in each Rotary district of the world. The workshops offer motivation, inspiration, Rotary information and new ideas for club officers, directors and key committee chairmen of each club. Some of the most experienced district leaders conduct informative discussions on all phases of Rotary administration and service projects. Assembly workshops will help make our club more effective and interesting and help our Club be even more successful.

This assembly is open to all District 5180 Rotarians including incoming and existing board members, club officers, club and district committee members, plus all our established and new Rotarians. The assembly will take place **Apr 22, 2023 8:00 AM – 12:30 PM at Elk Grove High School**, 9800 Elk Grove Florin Road, Elk Grove.

This is our best opportunity for a great head start for our club's success in the upcoming Rotary year. Here's a direct link to the District Assembly Registration: [District Assembly | District 5180 \(rotary5180.org\)](https://www.rotary5180.org)
