Trekkers Come Home

The Trek Against Trafficking is completed with our 4 hikers finishing the 6 day 100 Km at Donner Ski Ranch. Roger Gilleland, Jeff Milde, Robert Ellis and Mike Cameron did well but

were looking forward to a tall cool one, a long shower and a soft bed.

There is still time to support their efforts to fight human trafficking by your own donation and sharing the links to the Trek for by your own donation and sharing the links to the Trek Against Trafficking Facebook page with your family, friends, and colleagues.

Rotary International is adding Human trafficking to an area of focus so Let's join them at our local level.

Rotarians at the Fair

Every year the California State Fair has wine judging competition to determine the best California wines.

This year as in the past, the Save Mart California Wine Bar sampled over 50 of the wines that were judged at the fair. Point West Rotarians volunteered on Sunday, 7/24/22 to pour wine for this program. Their efforts were much appreciated. As Brian Moore had arranged this volunteer effort many times in the past, this year any of the tips that were generated during the day were given to Point West Rotary to honor Brian, using those funds for the "seed money" to start and maintain The Brian Moore garden to grow food that will be donated to the River City Food Bank. Everyone had a great time.

California Brewers Festival

Point West Rotary is putting on the 28th Brewfest at Discovery Park on September 17. You should have your tickets (and Roger Gaskin can get you more) so tell your friends and everyone you know to come support a great cause and have a great time sampling over 50 brews. Thirsty Thursdays continue, this week Big Sexy Brewing. Be there.
