Brewfest Almost Here

Discovery Park comes alive September 17 for the 28th annual California Brewers Festival. Help out

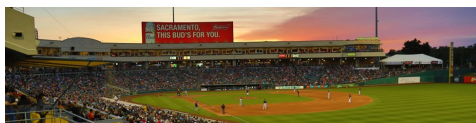

with this big event, our major fundraiser. We need all of our members to help make this event great.

Come out to support the participating brewers at Thirsty Thursdays continuing this week at Logoff Brewing (3054 Sunrise Bl, Rancho Cordova). Roger Gaskin is our ticket purveyor and although somewhat more expensive this year,

they still are a good discount over the public price. We need you to sell those tickets.

Take Me Out To The Ballgame

We are planning a tour of Sutter Health Park, home of your Sacramento River Cats. The date is 9/16 about 9:30 AM, after our meeting that day. Come see the best minor league ballpark is the USA up close and personal. Get on the list by contacting Mike Barger or Tom Cicchini.

District 5180 Foundation Dinner

There may be a few PWR seats available for the foundation dinner on 09/17/22 from 6:00-9:00 PM. Inquire with Bea Mower or Mary Lyn Kagan.

More World Polio Cases Rotary Continues the Fight

Rotary statement on recent polio detections in U.S., Europe (excerpt)

The recent detection of the vaccine-derived poliovirus type 2 case in New York, USA, and isolates in several environmental samples in London are stark reminders that as long as polio exists anywhere, it is a threat everywhere. It also highlights the importance of vaccination as the only form of protection against polio and the work that needs to be done in our communities to encourage the uptake of vaccines.

The U.S. is still considered low risk for paralytic outbreaks of polio due to the high level of vaccine coverage across the population. In the USA the CDC notes 92.6% of children aged 24 months are fully vaccinated against polio, slightly below the 95% World Health Organization target.

The best things countries can do to protect themselves from polio: maintain high vaccination coverage and robust disease surveillance and be ready to respond in the event of an outbreak to minimize the risk and consequences of polio re-introduction or re-emergence anywhere.

We must re-commit to polio eradication by fully supporting the [Global Polio Eradication Initiative](#) (GPEI) 2022-2026 strategy.

Rotary with our partners, engage communities everywhere to encourage high vaccination rates, immunizing over 400 million children annually.

A new vaccine has been deployed – novel oral polio vaccine 2 (nOPV2) – more genetically stable to stop cVDPV outbreaks effectively. With sustained political and financial commitments, the GPEI is confident that we can achieve a world in which no child is paralyzed by polio again.

Meeting 6 Recap

Roger Gilleland, President-elect, substituting for president John brought to order our 8th meeting of this term. Russ Fujii led the pledge and Nate Challis led us in song. Paul Friedrich recited the 4 Way Test. Gary Pevey recommended some albums from his vinyl collection as our thought for the day. One of our guest was none other than Doc Blanchard, “Mr. Inside” from USMA and Heisman trophy winner from 1945. Know Your Members game was won by Tom Knox. Ray Reihle, introduced by Bob Tilly, spoke to the club about zeroes, lots of zeroes.... and a little about water. Announcements were made by Bea to remind us of the Foundation Dinner, Tom Engwar to promote Thirsty Thursday and get/sell your tickets for Brewfest. Tickets are available from Roger Gaskin. The upcoming tour of business to Sutter Health Park on 9/16 was announced. Drew Houghton got to spin the wheel.
