

Wildfire Relief for Areas in Rotary District 5190

By now, most everyone is aware of the devastating forest fires that have ravaged parts of District 5190 including the Tamarack Fire in eastern California and Nevada, the Dixie Fire in Plumas and Lassen counties affecting Greenville, Chester, Westwood, Portola, Quincy and Susanville, the River Fire in Placer and Nevada counties, and now the Caldor Fire affecting Pollock Pines, Camino, Grizzly Flats and more.

The relief efforts are widespread and GoFundMe accounts and various Community Funds have been set up to fund relief for the fire victims. All funds raised will go to assist the fire victims. Committees of Rotarians in the affected and surrounding areas will manage the distribution of funds for all Rotary-related efforts.

(Applications for aid will be available shortly.)

To donate:

Dixie Fire - Greenville Strong, <https://gofund.me/facd1952> Rotary Club of Greenville

River Fire - <https://gofund.me/950120f5> Rotary Club of Auburn Gold
