ROTARY CLUB OF GLENVIEW SUNRISE

www.rotary.org

PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world. We partner with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of the Glenview community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

"Shining light on our community through service"

MAKING A DIFFERENCE

Glenview Sunrise is working with various partners on the following projects:

Hero Hustle dinner / 5K & 10K run - The major fund raising project of the year, that allows the club to provide monetary support for non-profits in the community, student scholarships, and other projects.

School supplies / Backpack drive - Funds are raised to provide school supplies to local children. The distribution event is held prior to the start of each school year.

Recycling & Training project - Partnering with Blue Star Recyclers to provide community and neighborhood pickups which facilitate effective electronic waste recycling, while creating meaningful employment for adults with disabilities.

Brazilian cleft palate project – Collaborating with other clubs to fund training for surgeons to perform advanced cleft palate repair surgery.

Angola water project - Collaborating with other clubs to provide safe water in Angola by drilling wells next to schools.

Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.

WHY JOIN

Networking - Members connect with others who are engaged in diverse professions.

Opportunity to Serve - Rotarians provide service at both the community and international levels in many areas such as hunger, poverty, literacy, and disaster relief.

Personal Growth - Leadership, public speaking, team building, fundraising, and teaching are a sampling of the skills that can be enhanced through Rotary.

Friendship - Fellowship was a primary reason Rotary was started in 1905, and it remains a major attraction.

My experience with our club has been immensely valuable. I've made lifelong friends and important connections that have helped me succeed in my business.

— Mary B., Club member

Our club was chartered in 1988 and still retains six of the original members. Our weekly meetings are filled with smiles, good fellowship, and are excellent opportunities for networking. We are a welcoming group!

— Scott D., Club member
