Why Join the Rotary Club of Glenview Sunrise?

Professional Networking

A founding principle of Rotary was to provide a forum for professional and business leaders. Members are leaders in business, industry, the professions, the arts, government, sports, the military and religion, both actively employed and retired. They make decisions and influence policy. Rotary is the oldest, most prestigious service club organization in the world.

The Opportunity to Serve

Rotarians provide service at both community and international levels. Service programs address health care needs, hunger and poverty, illiteracy, disaster relief, and environmental cleanups, to name a few. Members experience the fulfillment that comes from giving back to the community.

Personal Growth & Development

Membership in Rotary ensures continuing personal and professional development. Leadership, public speaking and communication, organization and planning, team building, fundraising, and teaching are just a sampling of the skills that can be exercised and enhanced through Rotary.

Friendship

Fellowship was a primary reason Rotary was started in 1905, and it remains a major attraction. Today, with more than 30,000 Rotary clubs in over 160 countries, Rotarians have friends wherever they go. Rotary helps to build community as well as enduring friendships.

Cultural Diversity

Rotary International is an association of local clubs in many countries. Clubs are open to members of every ethnic group, political persuasion, language, and religious belief. Rotary clubs contain a cross-section of the world's leaders. They practice and promote tolerance.

Through **PolioPlus**, Rotary's most ambitious program to date, Rotary has played a leadership role with the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication. Rotary's **ENDPOLIONOW** campaign promotes public awareness and fundraising for the program. The Bill & Melinda Gates foundation has given Rotary \$355 million in challenge grants to support **PolioPlus**, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.
