This week's reporter: PP Jim (Wheels) Whelan

At this week's meeting, our President and President-Elect's loss was our gain as VP **Roe Dorris** filled in flawlessly in the absence of **Pres. Ryan** and **Pres. /Elect Cynthia**. I'm not sure why **Cynthia** was absent, probably attending a District activity to which she has been committing much of her time lately.

We can account for **Ryan's** whereabouts and the reason for his absence: the arrival of his second child on May 10th, a 6lb, 3oz boy – Finn Oliver Tomkinson (great name!) Sloan now has a little brother. Mother and son are doing well. Congrats!! Bill Kemmerer put down his Nikon and provided us with a succinct invocation.

'Race Around the Square' update

Marc Jaffe is anxiously looking forward to the date of our 5k Run/1 Mile Walk around Suburban Square on Sunday, May 22. For the third year in a row, **Marc** has been bringing his limitless powers of persuasion to bear to exhort our membership to solicit sponsors for the event. Thanks to his yeoman-like work we have received \$14,250 in sponsorships (\$10,000 in hand). **Marc** thanked all members who personally contributed and/or were responsible for the \$4,500 to 5,000 we have receive from non-Rotarians.

We understand **Pat Doyle** has been instrumental in beating the bushes for above-mentioned outside sponsorships.

We only have 32 runner/walkers registered as of today's meeting. The committee recognizes that most participants are usually "last minute signer uppers" but time is short! If you know anyone interested, please have them register at

<http://portal.clubrunner.ca/2301/sitepage/registration>. By the time you receive this copy of the RIARD, the event will only be a few days away.

Rod Rhen is handling the volunteer assignments so please let him know if you will be on hand to assist in the registration process or one of the other various jobs involved in running what has been a very well-organized event.

See you next Sunday!

Sizzle update

Chair Bernie Rosenberg reminded us to mark June 22 on your social calendars. This is the date for our annual Sizzle Cookout which is no longer a fundraising event (formally our Silent Auction). It is now just a fun outing on the beautiful grounds of the Appleford Mansion in Villanova. Spouses and family members are all invited to this very casual "meet and greet" event.

Bernie expects the atmosphere to be even more convivial if someone can turn up the cache of liquor and wine that disappeared after last year's Sizzle – **Mike Greenberg** was the prime suspect because he is so happy-looking all the time one might think he has a perpetual "buzz" on. However, **Mike** is the custodian of the booze from year to year and he has an APB out for the elusive spirits.

Fire Company fundraiser

Brochures for the annual golf tourney for the Merion Fire Company of Ardmore are at the Sgt-at-Arms table so you can line up your foursome for the outing on Monday, June 13, at Hershey's Mill Golf Club. Proceeds will benefit the fire company whose chief is Tom Hayden. Plans offer an attractive afternoon including lunch, golf, open bar and dinner. See **Tom Hayden** or **Jim Whelan**.

We welcome one guest

There was only one visitor this week, Suzanna Barucco, guest of **Bob Overhiser**. This week's reporter has been fighting a losing battle lobbying to forgo the welcome song for one or two guests. We serenaded Suzanne with strong vocal support from **Hogie and Jane Williams** but we really needed our new member, soprano **Marianne McClatchy** to save the day.

Today's speakers

PDG/PP Hogie Hansen and **PP Jane Williams** teamed up to enlighten us on the very special RI emphasis for 2016-2017 referred to as the "Timeline for the Million Dollar Journey". 2017 will mark the 100th anniversary of the Rotary Foundation which is among the top 20 charitable foundations in the world. From its modest contribution total of \$26,000+ in 1917, the Foundation last year spent \$3 billion on humanitarian

causes worldwide. One of the first grants in 1917 was for the purpose of aiding crippled children. Now, we are a reason polio has been virtually eliminated in the world.

We watched a video which highlighted some of the major accomplishments of the Foundations:

*Providing scholarships for international study and funding for group study exchanges to promote global understanding.

*Funding projects to combat hunger, fight disease, provide clean water and provide shelter and comfort for mothers and their children

Our District has received a challenge gift of \$1,000,000 if it can match this figure with pledges during the next nine months. If successful, District 7450 would contribute a total of \$2,000,000 to the Foundation for the Centennial Year.

To attain this ambitious goal, the District has named nine area teams to help provide a "Timeline for the Million Dollar Journey". **Hogie and Jane** constitute

the team responsible for encouraging our Club's contributions toward this goal.

Hogie and Jane emphasized that this campaign is different than the standard request for each member to contribute at least \$100 annually to the Rotary Foundation that is still in play.

The District hopes to reach its \$1,000,000 challenge goal via the "Bequest Society" approach. This calls for a Rotarian to designate a gift to the Endowment Fund through a will or living trust, a charitable remainder trust, an IRA/401K or life insurance.

Each Rotarian's contribution then would be in the form of a gift from his estate plan – the gift can be applied to a particular area of focus within the Foundation.

Hogie reminded us that each District's financial commitment to the Foundation is invested and earns interest so that, within three years, 50 percent of our contributions are returned to fund District projects.

We will certainly hear more about the Centennial Plan from

our two area leaders.

Mystery Rotarian

I was born on the Main Line and attended Waldron Academy. I then went to Riverside Military Academy in Gainesville, Georgia with aspirations of moving on to West Point, Annapolis or Citadel and pursuing a military career.

After four years of bouncing a quarter off my bed, I decided the military life was not for me and I returned home.

I have stayed in the area ever since. I can't divulge my present occupation but I have been a volunteer fireman in Ardmore, a chef, an employee of a funeral home and a kosher caterer (I served at **Mike Silver's** son's Bar Mitzvah). I am married with two children who also attend Waldron Academy. My wife, who works for Temple University and I also have a concierge travel agency which is doing very well.

Who am I?
