

ROTARY FELLOWSHIP

Rotary Fellowships are independent groups of Rotarians, their spouses, and Rotaractors who share a common passion. Being part of a fellowship is a fun way to make friends from around the world.

WHAT FELLOWSHIPS ARE AVAILABLE?

Fellowship activities vary widely. Members come together around hobbies or interests such as cricket or jazz, or vocations such as writing or medicine. Some groups are purely social while others use their fellowship for service projects. [View a list of Rotary Fellowships](#) (List attached).

HOW DO I JOIN A FELLOWSHIP?

You can also contact a fellowship directly by using the information listed in the [Rotary Fellowships directory](#). Or search our [discussion groups](#) to find Rotary and Rotaract members with similar interests.

HOW DO I START A FELLOWSHIP?

Chances are if you have a strong interest in something, there are others in the Rotary family who share it. Forming a fellowship starts with finding members for your group. Here's how you can start:

- [Join a discussion group](#) or start a new one. It's a great way to share your interest with other members.
- Use Rotary's presence on [Facebook](#), [Twitter](#) and [LinkedIn](#) to promote your idea.
- Ask your district Rotary Fellowships chair for assistance. Reach out to district Rotary Fellowships chairs in other countries to build membership. Ask for contact information at rotaryfellowships@rotary.org.
- Be sure you meet the criteria for a fellowship and apply for official recognition. See the [Rotary Fellowships Handbook](#) for details.
