

Last Week's Meeting

2nd Lt. Micah Clark

District 5830 Global Scholar

It may seem incongruous, Micah Clark admitted last week, for a Rotary district to award a Global Scholarship to a professional warrior. One of Rotary's guiding principles, after all, is the advancement of international understanding, goodwill, and peace.

But the Tyler native and graduate of the U.S. Military Academy at West Point said his studies at King's College in London are aimed at furthering global peace.

Clark, our district's Global Scholar, will be leaving soon for a year of education at King's College, where he'll be earning a master's degree in Conflict, Security and Development. The course explores the conceptual, historical and policy issues surrounding security and development, and how those manifest themselves in the wider context of contemporary warfare and international security.

The scholarship is made available in part by the Rotary Foundation and our own District 5830. Rotary International and the local district each are providing \$15,000 for Clark's education.

To qualify for the \$30,000 international scholarship, an applicant must be sponsored by a club within the district and meet certain qualifications. Each global scholarship applicant also must be a future leader in fields related to:

- Peace and conflict prevention/resolution.
- Disease prevention and treatment.
- Water and sanitation.
- Maternal and child health.
- Basic education and literacy.
- Economic and community development.

Before leaving for London, Clark is spending this summer working with the Boys and Girls Clubs of East Texas in Tyler, where he is assisting with information technology.

After he completes his year in London, Clark will return to Fort Benning, Georgia, to take a course in Armor Officer Leadership. After completing that course, Clark will receive his first military assignment. He said he hoped to rejoin his West Point classmates at Fort Carson, Colorado, but his assignment may change after extending his service for a year to take part in the Global Scholarship program.

Watch Rotaview and rotarylongview.org for updates on Clark's year in London.
