

## Last Week's Meeting

### Rodney Mabry

UT Tyler Longview University Center

The goal for UT Tyler with its Longview University Center, UT Tyler President Rod Mabry said last week, is to expand educational opportunities in our area.

And since it opened in 2000, it's done just that.

"Just in the last five years we've offered 930 courses in 45 different disciplines," Mabry told members and guests. "More than 3,000 students have attended courses since we opened, more than 2,000 have received their degrees here. So there is some strong output from the Longview University Center."

Of all those programs, he said, nursing has always been "far and away the main program," but UT Tyler continues working to expand into other areas.

Mabry credited Van Patterson, director of the Longview University Center, for recent course additions.

"He's worked extremely hard to ask different businesses and other leaders throughout this area what it is students really need. What is it we need to be putting in place?" That's led to two new programs that began this past fall: industrial management and criminal justice.

## February Student of the Month

Kaitlyn Adams, a senior at Longview High School, was introduced last week as our club's February student of the month.

The daughter of Rob and Stacy Adams, Kaitlyn is a four-year letterman in volleyball and soccer, and has received awards including All District Most Valuable Player and First Team All-State. She also was the ET Varsity Best Preps Soccer Player of the Year.

She is currently in the dual-credit program, in which she takes college-level courses that count for both college and high school credits. Kaitlyn also is on the A honor roll and is a member of the National Honor Society.

Kaitlyn has received an athletic scholarship to Panola Junior College in volleyball. She plans to major in biology then transfer to medical school with the ultimate goal of becoming a dermatologist.

Congratulations Kaitlyn, and good luck!
