## November is Rotary Foundation Month

The Democratic Republic of the Congo emergency response has been ongoing since 2017 to overcome outbreaks of circulating vaccine-derived poliovirus, caused by low rates of routine immunization. In the battle to close the outbreak, health workers, partners of the Global Polio Eradication Initiative, Governors of affected provinces, and the Ministry of Health are working together to vaccinate every child. In a context with weak health systems and other high-profile health and humanitarian emergencies, these united efforts are crucial to boost population health and keep all young children safe from paralysis.

Today's Volunteers:  
Greeters:

Invocation and 4-Way Test:

Pledge:

Today's Speaker:

**Fred Miller**

Fred is a FINRA registered representative and general securities principal. He is the two-time recipient of the "Richard C. Stoker Award"; honoring Franklin Templeton's Senior Advisor Consultant of the Year. Fred served four years in the United States Marine Corps and is a well decorated two-time combat veteran. He earned a Bachelor of Science in Business Management from University of Phoenix and currently resides in Argyle, TX.
