Today's Speaker:
Mark & Tari Bauer

"Alhambra: The
Fortress of the Last
Islamic Spanish
King"

Mark Bauer is the Past-President of the Rotary Club of Colleyville. Mark is an amateur historian who works as an aircraft structural engineer to pay the bills. Mark and his wife Tari are recent empty-nesters and recently traveled to Spain where they toured the amazing fortress, The Alhambra, the palace of the last Islamic King of Spain.

Alhambra's last flowering of Islamic palaces was built for the last Muslim emirs in Spain during the decline of the [Nasrid dynasty](#), who were increasingly subject to the Christian Kings of [Castile](#). After being allowed to fall into disrepair for centuries, the buildings occupied by [squatters](#), Alhambra was rediscovered following the defeat of [Napoleon](#), who had conducted retaliatory destruction of the site. The rediscoverers were first British intellectuals and then other north European [Romantic](#) travelers. It is now one of Spain's major tourist attractions, exhibiting the country's most significant and well-known [Islamic architecture](#), together with 16th-century and later Christian building and garden interventions. The Alhambra is a [UNESCO World Heritage Site](#) and the inspiration for many songs and stories
