Rotary Celebrating
International Women's
Day – March 8, 2018

Three Rotary women were recognized on 7 March at the [World Bank](#) in Washington, D.C., USA, for their commitment to improving lives through innovative humanitarian projects.

The celebration, hosted by the World Bank Group Staff Association, and sponsored by Rotary International and investment firm Oppenheimer & Co., was one of many events held this week to mark International Women's Day, which is on 8 March each year. It highlighted the positive changes women make around the world. Annette Dixon, vice president of the World Bank for South Asia, moderated the event.

Speaking to more than 300 people, with thousands watching the livestream, Dr. Geetha Jayaram, Marie-Irène Richmond Ahoua, and Danielle De La Fuente, all Rotarians, told their stories and explained how their work helped poor women in India gain access to mental health care, vaccinate hundreds of thousands against polio in West Africa, and empower refugee children around the world.
