North Korea – The Threat, The Truth and Our Options

Marc had four commanding officer tours and retired as a Captain after twenty-four years in the Navy. He has just under 5,000 hours of pilot-in-command/co-pilot flight time in a variety of tactical military and civilian fixed and rotary wing aircraft. As a reservist, Marc spent more than one weekend a month and two weeks a year. On average, he spent more than 100 days on active duty primarily in the Far East. Yet, he maintained a professional career in the civilian world and is truly a *citizen sailor*.
