September is Rotary Basic Education and Literacy Month Summer Service Project – June 23-27, 2019

•We have an exciting district-wide service project planned for this year. We are seeking 120+ people to help work on a number of different projects in GUATEMALA centered around strengthening schools, providing clean water and improved hygiene. We are looking for both skilled and unskilled volunteers who have experience with:

- Plumbing, electrical, tile, and/or carpentry
- Painting – including murals and artwork
- IT skills for computer lab
- Medical / nursing needs
- Spanish language (help w/ translation)
- Several projects will be focused on strengthening schools and improving the health of students and their families. Some of the projects we will be working on:

•Opportunity to connect with other Rotarians:

•You will have the opportunity to see first hand how effective Rotary is in meeting needs around the world by working along side Rotarians, Rotoractors, and Interactors from several Rotary clubs in Guatemala.

•LODGING, TRANSPORTATION AND MEALS

•We will be staying in beautiful Antigua. Resort hotels have numerous amenities including spa services and great dining opportunities.

•We are striving to keep the cost of the trip below \$1,000 per person (double occupancy). At this point, the airfare ranges between \$475 and \$800. Hotel cost will be in the range of \$45 - \$100 per night.

•PLEASE REGISTER YOUR INTEREST

•In order to obtain the best pricing, we need to know how many people are planning on going on this service trip. If you have any interest in helping or want to know more, please let us know by filling out this online form (10 questions, about 2-3 minutes) to indicate your interest by **September 15th**. We will follow up with you as soon as we have additional information regarding costs, etc.
