You can fight polio and cheer on the Texas Rangers in one fun-filled night. Join Rotarians from all over North Texas on **Friday, Sept. 18**, for this special event.

Until polio is eradicated, it is a world threat; it could return to areas that haven't seen polio in a long time. Vaccination is the only protection. The future is in your hands—

GSE Team Breaking New Ground!

33-year-old Robb Martin, the 2009 [Group Study Exchange](#) between Rotary districts 5490 (Arizona) and 9680 (New South Wales, Australia) offered more than the opportunity to compete in a sailboat race, summit a mountain, and meet with other law enforcement officers.

It was also a once-in-a-lifetime chance to participate in Rotary's first-ever all-wheelchair GSE.

A former patrol officer from Prescott, Arizona, Martin became paralyzed from the chest down following a 2005 vehicle accident, but continues to work for the police department in the dispatch center. "The whole point [of the GSE] was to dissolve the perception of people in wheelchairs," Martin explains. "Just because we're in wheelchairs doesn't mean that we can't do things that able-bodied people can do."

The idea for an all-wheelchair GSE started two years ago when Charlie Tegarden, 2008-09 governor of District 5490, struck up a conversation with Darol Kubacz in an airport. The two were returning from Mexico where they had helped distribute wheelchairs to the needy as part of a Rotary project. Kubacz, a wheelchair user, was curious to learn more about Rotary, and Tegarden was happy to oblige. "Eventually, the conversation turned to Group Study Exchange," Tegarden recalls. "As I was talking about how great GSE was, I was thinking to myself that it was too bad that a person like [Kubacz] could not participate. How could he possibly travel? ... Then the obvious struck me -- he was sitting right there with me in the Mexico City airport! Why couldn't he participate in a GSE?"

Determined to host an all-wheelchair GSE, Tegarden found a partner in Tony Castley, 2008-09 governor of District 9680, whom he met at the 2007 RI Convention in Salt Lake City, Utah. Past district governors Harold Sharp (9680) and Don Schiller (5490) coordinated the exchange, and the idea became reality. Kubacz, now a member of the Rotary Club of Phoenix-West, served as the Arizona team leader.
