I, _____ agree to participate in the Arlington North Rotary Club’s American Flag Subscription Program for an annual contribution of \$45.00. I live in the service area for the Arlington North Rotary, which includes the following Zip Codes: 76006, 76011 (North of I-30), 76012 (North of I-30, and West of Davis below I-30), and some parts of 76013. (Your subscription is subject to verification by our club that we are servicing your area).

Arlington North Rotary agrees to place the American Flag at the address located at: _____ for the six specified flag days. These days are Memorial Day, Flag Day (6/14), Independence Day (July 4th), September 11th, Columbus Day and Veterans Day. Flags are placed the day BEFORE the holiday (except for Independence Day, when the flag is placed out at least 2 days prior to July 4th). Flags are taken up the day AFTER the holiday. (If the weather is bad the day of placement, we will move it to the next morning or the next weekend).

It is my responsibility to advise the Arlington North Rotary of the sprinkler, plumbing, electrical, and other utility service locations in my yard where the metal sleeve is installed. Arlington North Rotary will place a painted mark on my curb to designate the location of the metal sleeve. It also will be my responsibility to make sure the metal sleeve does not rise to where it may damage any equipment used to maintain this lawn.

I Do ____ or Do Not ____ have a preference for where my flag sleeve is located. (We traditionally install the sleeve so that it can be seen from either the front door or a window as practical). (If you have a preference, we will contact you prior to the installation of the sleeve).
