

Blanket Making Event: Nine Blankets Made and Donated

Thursday February 27, 2025 the Rotary Club of Antioch spread fleece over the Antioch Community High School library tables. Thanks to the Rotarians, Interact Club students and staff, and National Honor Society students, and Friends of Rotary that participated in the fun Blanket Making event this week. It took cooperation, concentration, and nimble fingers to complete these no-sew blankets. A total of nine colorful blankets were made and donated to The Penny's Purpose. This local nonprofit goal is to provide warmth and comfort to those who are ill or experiencing hardship through the gift of blankets.
