183 VIZIO V-Series 2.1 Channel Sound Bar System with Wireless Subwoofer

Hear what you've been missing with the newly designed VIZIO V-Series™ 2.1 Home Theater Sound Bar. The V-Series 2.1 offers immersive sound, a sophisticated new look and HDMI connectivity for the highest-quality audio plus sound bar volume control from your original TV remote. For pristine clarity, two full-range speakers at 96dB SPL are tucked inside a subtly textured, all-black sound bar that stays clean and lives discreetly beneath the TV, while the included 5" wireless subwoofer adds deep, booming bass to movies and music. DTS® Virtual:X™ sound enhancement adds room-filling, floor-to-ceiling virtualized 3D sound, placing you in the middle of the story or front row at your favorite concert venue. The new Voice Assistant Input gives you the convenience of a voice assistant you are already accustomed to (sold separately) and lets you operate it right through the sound bar for an upgraded audio experience. With its powerful sound and easy setup, the VIZIO V-Series™ 2.1 Home Theater Sound Bar can help turn your living room into a captivating home theater.
