

Rotary Club of Buffalo Grove Community Grant Application

The Rotary Club of Buffalo Grove is pleased to offer Rotary Community Grants to organizations that affect the community of Buffalo Grove and its inhabitants. The Rotary Community Grant will provide funding for projects and causes that contribute to the success of the local community with the objective of making ours a better place to live and work. One-time grants of up to \$2500 are given to efforts that have the potential to provide visible, long-term, sustainable benefits for community members.

Does your organization help build our community?

Applicants must be organizations with a clear mission and a structured leadership. Charitable or non-profit organizations with a 501(c)(3) designation are encouraged to apply, though this designation is not a requirement to qualify. Faith-based non-profit organizations may qualify, provided their proposed project is for the benefit of the community as a whole rather than just the members of their congregation or organization. Projects must be initiated by the applying non-profit organization and contribute to Rotary's focus on community service, which includes projects and activities taken to improve life in the Buffalo Grove area.

An effective project or cause should do more than just offer a quick fix for problems. The most effective service projects

- Respond to real issues
- Improve community members' lives
- Are based on a realistic assessment of available resources
- Aim for specific goals and objectives with measurable results
- Build effective networks
- Empower people and communities

To meet Rotary's criteria, requests for funding should also show how a proposed project will impact community residents and include details about how the community will learn of Rotary's involvement.

A selection committee will review grant applications and choose grant recipients.

- Applicants should request only the amount needed to fund the project.
- If additional funds will be required from other sources in order to proceed with project, the origin of these funds should be noted.
- If additional funds are needed to sustain the project, applicant must show evidence the organization will be able to maintain and continue project.
- Funding cannot be used for operating expenses, personal computers, travel expenses, dues, advertising, fund raising events, giveaways or prizes, individual scholarships, dues and memberships or lobbying expenses.
- Applications must be signed by the organization's Executive Director or equivalent.

What kinds of projects do not apply?

- Those submitted by for-profit businesses, religious organizations for the sole benefit of the organization, individual sports teams, political organizations or candidates, labor unions, homeowners' associations or individuals.

Rotary Clubs engage in service projects in thousands of communities all over the world. Rotary Club members form a diverse, global network of volunteers united through a common commitment to the advancement of international understanding, goodwill, and peace through service.
