Peace in the Middle East

Rick Rosenfeld is executive director of Hands for Peace, an organization that strives to build peaceful understanding between Israelis and Palestinians by bringing youth together during a summer dialogue experience. Hands of Peace has staff in both the United States and the Middle East. Young people are empowered to raise their voices as leaders of change. Through the power of dialogue, Palestinians, Israelis and Americans partner to pursue peace, equality, freedom and justice. Rick has a wealth of experience in international travel, risk and crisis management, strategic planning and business management. He has a keen interest in the Middle East and holds a BS in Journalism from Medill and an MBA from Kellogg, both at Northwestern.

Upcoming programs/Important dates

28-30 April – District conference. Marriott Lincolnshire.

5 May – Cinco De Mayo Game Night, Deerfield Golf Course

29 July – Cubs vs. Brewers, Rotary Road trip to Miller Park. Proceeds benefit One World Medical Foundation.

Youth draw each other as part of an exercise sponsored by a Hand of Peace activity in California. The idea is to encourage the youth to see that their supposed enemy is a person.

Jam for Justice

The Deerfield High School Interact Club is participating in “Jam for Justice” on May 12 at the High School. This is a showcase event where different clubs and service groups of DHS present their projects. Our Interact members are showing their support for Shelter Box. We need volunteers to help erect the tent in the morning and to take it down in the afternoon. Let’s show our commitment to these students and help them out.

Game Night

Get your game on. We will be holding our 2nd annual Game Night at the Deerfield Golf Course on 5 May, Cinco De Mayo. We will be raising money for the Illinois Fire Safety Alliance and their Camp “I AM ME,” a one week camp experience for children and teenagers who have suffered injuries from burns. Your \$50 admission fee covers a delicious buffet dinner, chances at door prizes, and a table for you and your guests. You supply the game! Those of you who took part in our first game night last year know what great fun it was. So talk it up, and sign up your friends and neighbors.
