Trinity athletics mission

Today's speaker is Heather Logue, director of Athletics at Trinity International University. Heather took on the role in 2018 after serving 16 years at Trinity in Student Life. While in Student Life, she also assisted with the women's softball program for several years. She served as the assistant AD from 2009-2012 where she oversaw sports information and game day management. Heather graduated from TIU in 1998 with a bachelor's degree in sports medicine and athletic training and earned a master's degree from Wheaton College in 2000. While studying at Trinity, she also participated in the softball program. Heather is married to Jason Logue and has two children, Liam and Clara.

Hi from Leo

Most of you will remember we hosted a Youth Exchange student in 2016, Leo, from Indonesia. Barbara recently heard from Leo and here's a little of what he said. "I finished my sixth semester last month. Last semester was crazy, so busy, so many projects. I left my lab and went home at 10 p.m almost every day. I joined a robotic national competition in April held in Lombok, a small island near Bali. It was a 2-hour flight. My friends and I were there a whole week. We didn't win but had fun and got a lot of experience. Now, I'm doing an internship at Polytron, an Indonesian electronic company that makes TVs, speakers, and other appliances. I am in Research and Development. It's in Kudus, a very small town in Central Java, so I have to rent a room here, and my landlord is a Rotarian! I didn't know that until we had lunch and talked. I only have a year to go in college, so yey.

Meal payment decision

The board has decided to retain the current meal payment plan of allowing some members to pay as you go. Please make your payments to Ron Levitsky at the start of the meeting if you are in the pay as you go meal plan. Thank you.
