Club biographies: George

Today's speaker is George Zuurbier, who will share his autobiography. He was born and raised in the city of Chicago, and returned to live in Deerfield four years ago, after retirement and remarriage. He served as an Air Force Officer after graduation from the University of Illinois, Urbana, in 1953 with a degree in Civil Engineering. After military service he followed an interesting career in structural engineering in the private and corporate sector. George is a Registered Professional Engineer and Fellow in the American Society of Civil Engineers. Locally, he is active in the Patty Turner Center, American Legion, and the Deerfield Historic Society. He and his wife, Ruth, together have five daughters, two of whom are doctors. They live in Deerfield, and serve together as Deacons in their church.

Corn Maze Days

Take part in the Rotary Corn Maze Day at Richardson Adventure Farm (RCMD@RAF) Challenge your friends in different clubs to compete in the corn maze or bring multiple teams from your own club. Recommended team size is 3-5 players. There are five different types of corn maze games ranging from 10 minutes to two hours. You can do one, two or all five. A Rotary specific quiz maze is being designed for our event. Registration is open now on the District calendar for September 15.

New Disaster Response Fund

In response to emergency relief, The Rotary Foundation recently established a new support fund to receive contributions for disasters that strike around the world. Entitled the Rotary Disaster Response Fund, RI staff in Programs and Grants will reach out to the affected areas and their districts to assess the need and desire for funding.

Coat Off Your Back

Coat Off-Your-Back Drive begins September 15. PADS will be the recipient. The Club will also give PADS a grant of an amount to-be-determined.
