### **Annual Fund-SHARE and the District Designated Fund (DDF)**

The Annual Fund-SHARE is the primary source of funding for a broad range of local and international activities made possible through The Rotary Foundation. Funds are invested in the year given and for two more Rotary years (July-June). The earnings are used to support the administrative costs of the Foundation and in year four the entire amount donated is split with 50% going to the World Fund and 50% to the district via the District Designated Fund (DDF). The World Fund is used by the Foundation to pay for the worldwide grant and program opportunities available to all Rotary districts. DDF supporting a Global Grant (*see item below*) is matched dollar for dollar, and cash contributions are matched 50 cents on the dollar by the World Fund. Each district uses its DDF to fund grants and Rotary Foundation programs of its choice. Up to one-half of the DDF may be used for District Grants (*see item below*). Every Rotarian is encouraged to give to the Annual Fund every year.

### **Endowment**

Previously known as the Permanent Fund, the Endowment is used to provide long term stability to the funding of Foundation activities. Donations to the Endowment are invested in perpetuity and only the income is used for activities supported by The Rotary Foundation.
