

Dear: _____

I am a proud member of the **Rotary Club of Glen Ellyn**. One of the reasons I am an active member in this organization is because we put service above self and the club works hard to make a difference in the community here and around the world.

We kicked off our largest local fundraiser of the year the **Annual Citrus Sale!**

Each year we sell oranges and grapefruits to raise funds for college and vocation scholarships as well as grants for local non-profits. **This year we are excited to also offer Clementines!**

This is our **39th Annual Citrus Sale**. This year our goal is to raise over **\$40,000** for **Glenbard West High School** & **Glenbard South High School** student scholarships and our community grant program.

We need your support, Thank you!

Please purchase fresh oranges, grapefruit and/or clementines and consider a monetary donation. If you would like to purchase citrus and donate it to a local food pantry, we can do that too!

Share fresh Citrus, direct from Florida, with your family, friends, clients, and neighbors!

Orders can be picked up at Village Links Golf Course in Glen Ellyn on Friday, Dec 12, 1-5pm and Sat., Dec 13, 9am-1pm. On-Line Orders require an additional \$3 processing fee.

Checks payable to: **Glen Ellyn Rotary Foundation**

The Foundation is a tax-exempt, 501(c)(3) charitable organization
