Message from the President

We are very fortunate to have amazing speakers and guests at our club on a weekly basis. We have learned a lot about a variety of topics that we may not otherwise have been exposed to without Rotary. As I reflect on this past year, several speakers personally influenced me and still cross my mind on a regular basis.

As an example, we just had an incredible presentation by Roger Briesch who spoke about his volunteerism with the national suicide prevention hotline. As I listened to him speak, I noticed all Rotarians were glued to their seats hanging on his every word. He is truly motivational, and I could hear his empathy and compassion come through during his talk. He provided a perspective that surprised and inspired me.

My hat is off to Rotarian Paul Keenon who has taken on the role of coordinating our speakers with me. I am thankful to you, and everyone who has helped me through my Presidency. Our members truly live up to the motto of Service Above Self.

Yours in Rotary,
Ed Scheer
President

WE ARE HAPPY

We are happy to have four new members joining the Rotary Club of Glen Ellyn. Welcome to **John Chereskin, Sean Nelson, Bob Maroney, and Tom VanWinkle.**

We are happy that **District 6440 Governor Don Brewer** and his wife Roseann visited our club and conducted a board meeting before the club meeting in March. District Governor Brewer encouraged the board members to reflect on their hopes and desires for the future of the club. It was productive brainstorming, and the club appreciated hearing from DG Brewer. Thank you for joining us!

IN MEMORIAM

AL LEWEK and LES SOMMERS

The Rotary Club of Glen Ellyn recently lost two of our long-time members and dear friends.

Al Lewek and **Les Sommers** will be sorely missed.

Al first joined Rotary in 1988 and made many strong friendships through the years. He was a local photographer and shared his talent with the club. Most recently he was responsible for scheduling weekly speakers and making sure that the club was informed of many different topics throughout the years.

In lieu of flowers, the family asks that you please make donations to youcaring.com/AlbertLewek.

Les joined Rotary in 1977 and was highly involved in various leadership roles throughout the years locally and at the District level. He served as the CEO of the BR Ryall YMCA until he retired. Les was a friend to all.

The Sommers family asks that any donations made in Les' memory be made to the BR Ryall YMCA.

They will always remain in our hearts and memories.
