Message from the President

ED SCHEER

It is my honor to start the year as your new President of the Rotary Club of Glen Ellyn. I appreciated working alongside Scott Park last year and am ready for the task! Thank you to the Rotarians, listed here on the left, who have agreed to go above and beyond to provide additional leadership this year.

Thank you to all Rotary Club members for your commitment to the Club and your continued service to our community. I know this is going to be an amazing year for Rotary. We will do great work and we WILL have fun while *making a difference* in 2017/2018!

In Service,
Ed Scheer
President

2017 Installation Dinner

We Are Happy

Rotarians were happy to hear from Glenbard West and Glenbard South students who attended the RYLA Leadership Camp this summer. **Rotary Youth Leadership Awards (RYLA)** is a leadership program coordinated by Rotary Clubs around the globe. Students are sponsored by Rotary Clubs to attend the camp run by the club's district committee. Participants are chosen for their leadership potential. The students who attended from Glen Ellyn were incredibly impressive. At a recent weekly meeting, the students visited and shared their experiences at RYLA. Each of the students was very well spoken and incredibly thankful for the opportunity to attend the camp.

ROTARIAN SPOTLIGHT

MARK FRANZ Glen Ellyn Village Manager

Mark always has a positive attitude and a friendly smile to share. We are grateful for his service both professionally as the Glen Ellyn Village Manager and personally in his commitment to Rotary.

When did you become a Rotarian?

2003 in Homewood, Illinois and 2011 in Glen Ellyn.

Why did you join Rotary?

It was a good way to give back to the community and world; while working closely with people who really care about those things.

What is your best Rotary memory?

The dictionary and health fair projects in Homewood and freezing at the Village Links while loading up oranges. The Prairie Path Park project was pretty fun, too.

What are some of your hobbies/interests outside of Rotary?

Kids and sports (golf, paddle tennis, basketball, and coaching)

What is one fun fact about you that no one might know?

I have vacationed in beautiful Lake Mills, Wisconsin over the July 4th weekend for 44 years straight. (The place time forgot)

Rotarians Go To School

Thank you to Glenbard West for hosting one of our weekly meetings at the high school. Rotarians received a tour of the new Science Wing and learned a lot about the way it was built and why. Members enjoyed the tour, lunch and connections made with school leadership.

A special thank you to Assistant Principals Christopher Mitchell and Joe Kain for taking the time to share all of the background information about the building, and how teachers and students are using it. The Rotary Club of Glen Ellyn is always happy to annually provide need-based scholarships to graduating high school students at Glenbard West and Glenbard South who are planning to attend college the next year.
