

ROTARY CLUB OF HIGHLAND PARK / HIGHWOOD

COMMUNITY SERVICE COMMITTEE

Goal

The Community Service Committee embraces Rotary's "Service Above Self" philosophy. The Committee is responsible for planning and executing a wide variety of community service projects to support the communities we serve and to advance the civic goals and mission of the Rotary Club of Highland Park and Highwood.

Main Responsibilities

- Collaborate with Highland Park High School's Interact Club to coordinate joint events, activities and community outreach efforts
- Conduct a minimum of one joint meeting with the Interact Club
- In addition, coordinate no less than one community service project per quarter
- Support all other Rotary committees and the goals of the Board

The Committee should explore current programs and events held within Highland Park and Highwood and explore opportunities to promote the Rotary Club and to conduct a service project at the event. Existing events include but are not limited to MLK Day of Service, Independence Day Fourth Fest and a Bike Fair.

Participate at business and non-profit locations to conduct service work which may include Special Olympics, PADS, Feed My Starving Children and Bernie's Books.

Plan community service projects, events and activities to advance Rotary's mission and serve the public.

Ghida S. Neukirch
Community Service Chair, 2016-2017
