## November Month Layout - Teacher Appreciation Month

All meetings this month will begin at 7:30am. Attendance will be taken at the start of the meeting so please make sure you are on time.

### November 6th:

To start this month's theme of teacher appreciation we will be helping elementary school teachers create their lesson plans. During this meeting, each mentor group will receive their assigned teacher and plan what they want to include in their lesson plans.

### November 13th:

We spend this meeting creating the lesson plans that we planned during the 11/6 meeting.

### November 20th:

To finish off this month's theme, each mentor group will send emails to local schools principals. Each email will thank the teachers of that school for all of their hard work.
