

GUIDELINES FOR ROTARY SPEAKERS

Thank you for accepting the invitation to speak to our Lake Forest – Lake Bluff Rotary Club. We appreciate your willingness to share your talent and expertise with our members. Programs like yours are the centerpiece of our weekly meetings.

Our club was established in 1959 and for over 60-years we have been dedicated to creating positive, lasting change in our community and around the world through service and philanthropy. In this endeavor, we join over 1.4 million Rotarians in over 200 countries and territories who put the Rotary motto of “Service Above Self” into practice.

The approximately 60 women and men of our club include community leaders in business, professional and civic activities. They range in age from 30-something to retirees with an average age above 50.

The person who recommended that you speak will be your host and point of contact for all the details of your presentation including your introduction.

Our club meets on Wednesdays from 7:15 to 8:30AM at the Lake Forest Club, 554 N. Westmoreland Road, Lake Forest, IL. You and your host should plan to arrive no later than 7AM. This will give you time to test the audiovisual set-up, distribute any materials, etc. prior to the start of the meeting.

A buffet breakfast is served at 7:15. You will be our guest for breakfast. The club meeting begins at 7:30 with the Pledge of Allegiance, the Rotary Four-Way Test and an Invocation. Visitors are introduced, announcements are made and we share news through Happy Dollars. By 8:00, the President will turn the meeting over to your host, who will introduce you. By 8:30, the podium returns to the President.

The following guidelines are intended to help in preparing your presentation:

1. Please plan on 30 minutes or less for your program which includes at least 5 minutes for questions. The meeting must end by 8:30 but you are welcome and encouraged to talk to members after the meeting.
2. As soon as possible but at least two weeks in advance, email the following information to your host. This information will be used by your host for your introduction and will be posted to the Club website (www.LFLBRotary.org) and Weekly Bulletin to give members the opportunity to invite interested guests. It may also be used to generate a press release.
 - Your name as you want it to appear (required)
 - Your title (if appropriate)
 - Topic or title of the program (required)
 - Summary of the program (required)
 - Information on your organization (if appropriate)
 - Biography (recommended)
 - Photograph (recommended)

3. Handout information relevant to your presentation may be placed on the breakfast tables. Typically, about 30 to 35 members will attend.
4. The dining room is large and wide so we ask that you use the hand-held or lapel microphone. In addition to helping those in the dining room to hear you, we typically have a few Rotarians that attend the meeting via Zoom, and using the microphone allows them to hear the proceedings.
5. There is no requirement to use PowerPoint or to show images or videos during your presentation but if you do, please bring those on a USB thumb drive that will be used in the club's laptop. Using the club laptop for the presentation enables those attending via Zoom to see your presentation. The club laptop is connected to a large monitor but if using PowerPoint, please use print that is at least 60-point and images that are large.
6. As Rotarians we are asked to apply the Four-Way Test to all that we say and do and we ask that you apply this test to your presentation. (www.rotary.org/myrotary/en/guiding-principles)
 - Is it the truth?
 - Is it fair to all concerned?
 - Will it build goodwill and better friendships?
 - Will it be beneficial to all concerned?
7. We ask that you refrain from taking political positions, delivering religious messages, making sales pitches or soliciting funds during your presentation.

Finally, we are most grateful to you for agreeing to speak to our club and we look forward to your visit and your presentation.
