

Getting Started on the Web with Rotary Club of Long Grove, Kildeer, and Hawthorn Woods

Our Club has a webpage on a site called ClubRunner, a tool providing club administration and which is integrated with District 6440. While accessible by anyone, our website is primarily for the use of our members. In addition, we have a Facebook page aimed at the general public.

ClubRunner is used by club officers to, for example, manage the webpage, make documents accessible to members, and track attendance. Functions are accessible only by those granted the proper security level by the Club Secretary or designee.
