

[•] snapshot

60 years meeting the needs
of McHenry County
1958-2018

4,500

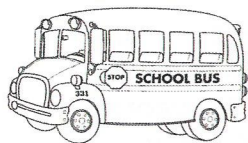

men, women, children and
seniors served annually

95

people employed through our
Community Employment Services
Program each year which matches
the county's employment needs
with individuals that have dynamic
strengths and talents

4,941

youth in over 15 schools learned about bullying,
self-esteem building, healthy relationships and
more through our school prevention program

250

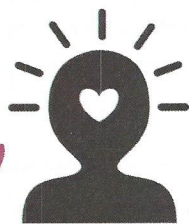

people with developmental disabilities
participated in over 1,200 community
based activities through our Community
Inclusion Programming

15

group homes providing family living
environments where individuals with
disabilities share a home in the community
with up to seven peers, under the
supervision of caring staff

117

youth diagnosed with serious
mental illness participated in
our outpatient therapy and
mentoring programs designed
to stabilize a youth within the
home setting

HOMELESSNESS in McHenry County
