January 3rd, 2023

The Park Ridge Rotary Foundation is inviting high school seniors who either live in Park Ridge or attend high school in Park Ridge to apply for our ***Make a Difference Scholarship***. This is the 17th year the Foundation has awarded the scholarships to students who have graduated from high school and will be matriculating at a college or trade school in the fall of 2023. Five scholarships were awarded in 2022 totaling \$5,000 (past winners have gone to Maine East, Notre Dame, Maine South, Loyola and Resurrection). We anticipate a similar amount this year.

Applicants will be evaluated on Rotary's motto "service above self" experience, leadership endeavors, scholastic achievement, extra-curricular activities, out-of-school jobs, responsibilities in the home, recommendation letters, financial outlook, and personal statements based on questions in the application. **Members of the Scholarship Committee will be very interested in the student's awareness of Rotary and its involvement within our community and the world.**

Applications with a short essay must be emailed by 12:00pm on March 20, 2023. Finalists may be contacted for a zoom interview shortly thereafter. Winners will be announced by mid-April and an award lunch May 17th.

You are provided a student application in conjunction with this letter. We look forward to hearing from you for the ***Make a Difference Scholarship 2023***.
