PEOPLE OF ACTION

Join our vibrant clubs for unparalleled opportunities in impactful meetings, social events, and volunteer projects. As proud members of both our local community and Rotary International, we contribute to a global network of over 1.2 million like-minded individuals, uniting in our commitment to 'Service Above Self.'

MAKING A DIFFERENCE

Addressing real challenges demands genuine effort, commitment, and vision. Rotarians strive to enhance education and economic outcomes, advocate for mental and physical health, offer support to victims of domestic violence, and contribute to creating a more peaceful community and world.

OUR VISION

Solving real problems takes real effort, commitment, and vision. Rotarians work to improve education and economic outcomes, promote mental and physical health, provide support for victims of domestic violence, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

Empowering returning adult students through scholarships with funding and mentorship.

Our Rotary Clubs have identified a crucial gap in placing aspiring auto mechanics: a toolkit.

Grants offering funding for agencies and programs that support the most vulnerable in our communities.

Global Grant Partnership with Rotary Clubs in other countries.

SOLUTIONS
