Caring About Kids & Community Since 1990!

Winter 2026/2027

Dear Business Owner,

I am sure you receive many requests for donations throughout the year. This letter comes to ask you to consider sponsoring **the Schaumburg A.M. Rotary Club Foundation's "Souper Bowl of Soups Cook-Off"** signature fundraising event taking place on Wednesday evening, February 24, 2027, at the Chicago Marriott Schaumburg located at 50 N. Martingale Road.

2027 marks the sixth consecutive year for this popular fundraiser. From a modest gathering to a community-wide celebration—our fundraiser has grown every year thanks to our attendees and event sponsors. More than 400 people filled the room last year to taste soups and make a difference!

Our club foundation is a registered tax exempt 501(c)(3) charitable organization that funds our club's humanitarian service activities including community-based service projects, skilled trades focused vocational scholarships, global initiatives and much more.

TOWNSHIP OF SCHAUMBURG

Soup Cook-Off proceeds will benefit the Schaumburg Township food pantry in addition to other areas of need as determined by Schaumburg A.M. Rotary.

Our club members are business owners and individuals who believe in community involvement where they live and work that improves the quality of life for those needing assistance.

Examples of our club's community outreach initiatives that make a difference in the lives of others include providing:

- New winter coats to Head Start Program students at Schaumburg's Brightpoint Marletta Darnall Child & Family Center
- Non-perishable food items to the Schaumburg Twp. Food Pantry and packing them into emergency food bags for distribution to neighbors facing food insecurity
- Back-to-school backpacks filled with school supplies for children of families living in WINGS transitional housing
- Skilled trades focused vocational scholarship awards plus a professional grade entry level set of tools, both of which prepare D211 students for high growth, high demand alternative careers of the 21st century and are necessary for them to continue their post-secondary education and successfully launch a career in their field.

To learn more about this event or the Schaumburg A.M. Rotary Club, please call me, visit our website at schaumburgamrotary.org or email us at schaumburgamrotary@gmail.com
