As a Club we are laying a lifelong foundation for our student by creating new memories and providing experiences for them. There are many choices. Do things by one or twos or groups. Let's make the life of our new student exciting.

Fun Places to eat:

Ed Debevis
Medieval Times
The Melting Pot
The Rainforest Café
Go to Chinatown
Go to Greek town
Who has the best Italian Beefs?
Who has the best Hotdog?
Who has the best Hamburgers?
Who has the best pie?
(actually we should have a "who has" committee that will take our student out and every month find the best "who has" of the specified category.)
Find some eatery's that match the student's ethnicity
